

**Salm Global Land** is an asset manager headquartered in Wallhausen, Germany, with additional offices in Düsseldorf, Atlanta & Chicago (USA), Auckland (New Zealand), and Helsinki (Finland).

To strengthen our growing **Alternative Investments team** in Wallhausen, we are looking for an:

## Investment Management Associate

Our team manages approximately EUR 1.4 billion in agricultural and forestry investments worldwide on behalf of institutional investors.

### Your Responsibilities:

- **Data Management:** Consolidating and analyzing operational and financial data from our forestry operations and accounting functions
- **Process Coordination:** Coordinating processes across multiple locations with internal and external partners, including deadline management
- **Investment Analysis:** Supporting the analysis and evaluation of new investment opportunities
- **Reporting & Portfolio Analysis:** Preparing regular reports for investors and internal management, as well as compiling and analyzing relevant portfolio and financial data

### What We Are Looking For:

- A university degree with a focus on business or economics, or comparable commercial/vocational qualifications
- Some relevant professional experience is preferred
- Strong analytical and numerical skills, combined with a high level of IT proficiency
- A structured and independent approach to work
- Initiative and willingness to take ownership of specific areas of responsibility
- A strong understanding of processes and excellent organizational skills
- Very good command of German and English

If this opportunity appeals to you, we look forward to receiving your **application!**

Please send your application by email to:

**Jasmin Konrath**  
**jasmin.konrath@salm-**  
**salm.de**

### What We Offer:

- Work on international projects as part of a professional and highly motivated team
- Close collaboration with managing directors, decision-makers, and partners
- Access to our international network
- Opportunities to participate in a wide range of external training and professional development programs
- Room for personal and professional growth within a dynamic and collaborative team.
- A positive working environment with flat hierarchies in a privately owned group of companies with a close-knit culture.
- A permanent employment contract, performance-based compensation, a modern workplace, and short decision-making processes
